

Laser Maze

What You Need:

- A Roll of Red Tape
- A Doorway or Hallway
- A Step Stool (Optional)
- A Timer (Optional)
- Music (Optional)

What You Do:

1. Place strands of red tape across a doorway or through a hallway to create a laser maze.
2. Navigate the maze as quickly as you can. If you touch a piece of tape, you've set off the alarm and must go back to the beginning.
3. See how fast you can navigate the laser maze. Time yourself. Try doing it backwards. Play the theme song to Mission Impossible!
4. Have lots of fun!

Paper Flashlight

What You Need:

- 1 Gallon Ziplock Bag
- 1 Black Construction Paper
- 1 White Cardstock Paper
- Colored Markers
- 1 Pair of Scissors

What You Do:

1. Draw fun pictures on one side of the big ziplock bag using the permanent markers! (If you are looking for an idea, try drawing an underwater ocean scene!).
2. Cut out the flashlight drawing on the white paper.
3. You can color the flashlight but not the light part, keep that white!
4. Put the black piece of construction paper in the big Ziplock bag.
5. Move the flashlight around between the black paper and the ziplock bag to reveal your picture!

The graphic features the word "FOURTH" in a stylized, white, 3D font with a pink shadow, set against a background of yellow and pink polka dots and a large yellow sun on a pink background.
